## ABOUT THE DANIEL BRAND

Established in 1993, Daniel Footwear is the home of on-trend shoes, handbags and accessories. The place to come for something unique that will make you stand out in a crowd - you'll find the latest contemporary, on-trend styles and classic design shoes and bags. Our hand-picked collection will make sure people are asking 'where did you get that?!

We believe in quality, slow fashion, using the best and most sustainable materials and factories for our own label collection. We pride ourselves of continuing to use luxury European tradesmen with strong and enduring relationships with the best factories in Italy and Spain.

The Daniel label epitomises the style of the Daniel customers- they're looking for something luxury, quality with an air of relaxed glamour. Attracting new customer with our modern take on traditional styles and offering a prominent core range of statement looks.
